February 2017

## Ambrosan® 2008 Amarone della Valpolicella DOC Classico

**92 points**

Built for a cold winter's night, this robust wine offers layers of dark chocolate, date and molasses flavors that pulse with black spice. The structure feels firm, with polished tannins that sculpt the rich flavors. Notes of roasted mushrooms and black olive emerge with exposure to air, balancing the wine's sweetness with a dark savor.
